Re: Your request for technical corrections of May 20, 2002 regarding
US application 10/086,216

1. Enclosed is a reprint with larger line spacing. I don't understand why this was a problem because the original printing was also very close to 1 ½ spacing.
2. Also, I have already requested at least 4 times to be sent the EFS (Electronic Filing System) CD so that I can submit documents to you electronically and each time they promised to send it but I never received anything. Having the EFS would make things much simpler and also you could have corrected the line spacing instantly to whatever you wanted. *Please send it.*
3. Regarding Fig. 9, it is an example list, so it contains much text. Do you prefer me to call it Example 9 instead of Fig. 9?
4. I am enclosing also the Visa payment form again for additional \$888, although I sent it also to you by Fax yesterday. So please do not charge me twice.

Thanks,

Yaron Mayer
